ELI KASSNER formed the University of Toronto Guitar Ensemble in 1978 and has been its Artistic Director since then. Much of the repertoire has been created by way of transcriptions of standard orchestral repertoire, as well as by commissioning new works through the Canada Council, Ontario Arts Council and Guitar Society of Toronto. Under Mr. Kassner's direction, the University of Toronto Guitar Ensemble has achieved international recognition. The ensemble has performed at international festivals in Cuba, Martinique and Puerto Rico. These concerts met with immense success.
